MEMORANDUM FOR NAVARRE AREA BOARD OF REALTORS

FROM: 1 SOMSS/DPF – HURLBURT FIELD AFB, FL

SUBJECT: Letter Of Appreciation

We are extremely grateful for your donation of toiletries, snacks and candy, books and games for our Smiles Across the Miles program. We were able to make dozens of care packages to give out on our mobility line. It's especially nice to have these packages when you've been given last minute notice of your deployment and you've probably forgotten "something!" I personally handed out these packages and they were pleasantly surprised when they heard that our local Navarre Board of Realtors donated these items and continue to show care and concern for them. Thank you for making our servicemen/women feel special and showing your appreciation for their sacrifices.
